We are pleased to inform that the motion for the ICRA07 lunch for women, tentatively named "BOF on Gender Diversity - A Lunch for Women in RAS", started by Dr. Danica Kragic' was accepted unanimously by the RAS Adcom in October 2006.

Many women in robotics and automation are discussing and contributing to promote the motion, Prof. Aude Billard, Prof. Robin Murphy, Prof. Allison Okamura, Prof. Nancy Amato, and Prof. Mihoko Otake with the help of IEEE officers, Ms. Rosalyn Snyder and Ms. Keyana N. Tennant.

Aims and scopes will be available soon.

We are looking forward to meeting you all in Rome.

For more information please see:

[BOF \(Birds of a Feather\) Women Lunch](#)

Then, please apply to attend.
